

MOOGLOO™

HOOF BLOCKING & REPAIR ADHESIVE

Fast. Strong. Green. Moo Gloo works fast to get the job done quick. Strong enough to eliminate expensive re-blocking. Formulated specifically to aid healing by treating lameness in dairy cows due to afflictions requiring the removal of pressure from the hoof. Also suitable for filling cracks in hoof walls of most livestock. Save time. Save money. Get consistent results. Moo Gloo is the only hoof blocking adhesive that lets you know it's mixed right every time!
